RIVER.—The river was rising yesterday evening with eight feet six inches in the channel. The Revenue, Captain Russell, arrived from Cincinnati with a good trip. The Armenia also arrived from Cincinnati and departed for Pittsburg. The Revenue will leave for Cincinnati this evening at five o'clock. All the officers, including Chips, are gentlemen, and accommodating men. We can cheerfully recommend the Revenue and her officers to the traveling commu-

MARRIAGE NO LOTTERY.—The most popular lady lecturer in America, Miss Augusta St. Clair, is to speak in Washington Hall to-morrow evening. Probably no person in this country has for the past year drawn so large and refined audiences as this elegant and eloquent young lady, who, although yet in her teens, has lectured throughout the United Kingdom and most of the large Provincial English cities. Her subject, addressed to the young, is of vital importance; and being of an useful and educational character, commends itself to the cultured classes of society. We understand that gentlemen are allowed to attend the lecture, although the address is mostly to young ladies.
